

UnitedHealthcare Community Plan of Ohio Pay for Performance Bonus Program

PROGRAM DESCRIPTION:

The goal of this pay for performance program is to:

1. Improve and maintain medication adherence for UHC Community Plan of Ohio patients taking cholesterol, diabetes, and/or RASA hypertension medications.
2. Measure and reward high performing pharmacies for interventions and patient performance.

The final program analysis will examine the **Year-to-Date measurement period from January 1 - December 31, 2021.**

The UnitedHealthcare Community Plan of Ohio Pay for Performance Bonus Program will evaluate the following core adherence measures:

1. Cholesterol PDC
2. Diabetes PDC
3. RASA PDC

To qualify as a part of this bonus program, your UnitedHealthcare Community Plan of Ohio patients must meet the following criteria:

1. Patient must be attributed to your pharmacy based upon filling more than 50% of their target drug medications at your pharmacy throughout the measurement period.
2. The patient must be enrolled in the UnitedHealthcare Community Plan of Ohio health plan for at least 6 months in the 2021 calendar year.

Payment in this program will be based upon completing encounters with targeted patients and documentation of the encounter occurring in the EQuIPP® dashboard. Beyond the encounter payment, pharmacies will also receive a bonus for each targeted patient that is adherent at the end of the 2021 year, as displayed within your EQuIPP® dashboard.

To aid in your understanding of this program we have included distinct steps to success in this program below.

PROGRAM STEPS:

Step #1: Look at your EQuIPP® outliers **WEEKLY!**
